

## Weather Delay Schedule for Identified Schools 17-18

The DPS Weather Delay Schedule will go into effect during inclement weather days when weather may impede buses from arriving to stops on time. All identified schools will start one hour later, and buses will pick up students one hour later than the normal scheduled pick-up time. Building leaders are asked to coordinate reporting requirements for school staff. If a school has a specific day indicator next to it, the school will only be affected if the Weather Delay is called on that day of the week.
