In Denver, the first day of school is September 17th. All students are required to wear uniforms. Students are expected to be punctual and prepared for class. The school day begins at 8:30 AM and ends at 3:00 PM. After school, students can participate in various extracurricular activities.

Students are expected to maintain a high level of academic performance and attend all classes. Late作业 is not accepted, and students are responsible for completing their assignments on time.

The school offers a wide range of courses, including advanced placement (AP) classes. Students are encouraged to take advantage of these opportunities to gain college credit.

Parents are strongly encouraged to attend parent-teacher conferences and participate in school events. Communication between parents and teachers is essential for the success of the student.

In conclusion, DPS is committed to providing a high-quality education to all students. We believe that every student can achieve their full potential with the right support and resources. We look forward to working with you to ensure the success of your child.

At DPS Atlanta, students have the opportunity to attend one of the finest public schools in Georgia. However, some students may not be able to attend their desired schools due to a lack of capacity. To address this, DPS has implemented a SchoolChoice program, which allows students to apply to schools in the district. The SchoolChoice program is open to students in grades K-12.

**SchoolChoice Application Process:**

1. **Application:** Students apply through the SchoolChoice website (schoolchoice dpsk12.org).
2. **Acceptance:** Students are accepted based on the availability of spots at their desired school. Students may apply to up to three preferred schools.
3. **Enrollment:** Students admitted to SchoolChoice must enroll in their assigned school by a specific deadline.
4. **Transfers:** Students may request to transfer to another school within the district after the first year of enrollment.

**SchoolChoice Requirements:**

- Students must meet the same attendance and academic requirements as students at their assigned school.
- Students must attend school for the duration of the SchoolChoice program.

**SchoolChoice Benefits:**

- Access to a variety of educational programs and extracurricular activities.
- Opportunities for students to attend schools that may not be able to accommodate them.

**SchoolChoice 2019-2020:**

- **15th Anniversary:** The SchoolChoice program celebrated its 15th anniversary in 2019.
- **Participation:** Over 1,000 students participated in the SchoolChoice program in 2019.

**SchoolChoice Benefits:**

- Access to a variety of educational programs and extracurricular activities.
- Opportunities for students to attend schools that may not be able to accommodate them.

**SchoolChoice Information:**

- **Website:** schoolchoice dpsk12.org
- **Hotline:** 820-423-3493

**SchoolChoice FAQs:**

- **Eligibility:** Who is eligible for SchoolChoice?
- **Application:** How do I apply for SchoolChoice?
- **Transfers:** Can I transfer to another school once I am enrolled in SchoolChoice?

ADVANCEMENT VIA INDIVIDUAL DETERMINATION (AVID®) allows students to advance to higher courses based on their individual determination. AVID® provides a pathway for students to accelerate their learning and advance in K-12 schools. AVID® is designed to prepare students for college and career by providing them with the skills and knowledge they need to succeed. The AVID® program offers a variety of resources and support to help students achieve their academic goals.

ADVANCED PLACEMENT (AP®) provides students with the opportunity to take advanced courses and earn college credit while still in high school. AP® courses are designed to challenge students and prepare them for college-level work. By taking AP® courses, students can gain valuable college credit and potentially save on tuition costs.

ARTS FOCUS SCHOOLS (A-FSS) provide specialized programs that focus on the arts. These programs offer students the opportunity to develop their artistic skills and pursue their passions. A-FSS programs are designed to provide a well-rounded education and prepare students for future success.

ACCELERATING STUDENTS THROUGH CONCURRENT ENROLLMENT (ASCENT®) provides students with the opportunity to earn college credit while still in high school. ASCENT® is designed to help students accelerate their learning and prepare for college and careers. By earning college credit while still in high school, students can save on tuition costs and gain a head start on their college education.

BLENDED LEARNING (BL) combines traditional classroom instruction with online learning. This approach allows students to learn at their own pace and in their own way. BL provides flexibility and allows students to receive personalized instruction.

CAREERCONNECT is a program that helps students prepare for careers. CAREERCONNECT provides students with the skills and knowledge they need to succeed in their chosen fields. By participating in CAREERCONNECT, students can gain valuable experience and prepare for future success.

COMPETENCY-BASED LEARNING (C-BL) is an educational approach that focuses on what students know and can do. C-BL provides students with the opportunity to learn at their own pace and in their own way. C-BL allows students to demonstrate their knowledge and skills through a variety of assessments.

CONCURRENT ENROLLMENT (HANDS-ON PATHWAY)
+ The Concurrent Enrollment pathway for 7/8th grade is designed for students who wish to enroll in college classes while still attending middle school. This pathway is available to students who meet the eligibility criteria and are interested in pursuing higher education at a younger age. Students enrolled in this pathway will attend both their middle school classes and college classes on the same day, with a focus on transitioning into higher education settings.

CREDIT RECOVERY (HANDS-ON PATHWAY)
+ Credit Recovery is available to students who are behind in their academic progress. This pathway allows students to earn credit for courses they have previously failed. Students can enroll in credit recovery courses at their own pace and at their own school or at a DPS-approved credit recovery center. For more information, visit creditrecovery.org.

DENVER SCHOLARSHIP FOUNDATION FUTURE CENTERS (P. DENVER HANDS-ON PATHWAY PATHWAY)
+ The Future Centers pathway is designed for students who are interested in pursuing a career-focused education. Students will receive personalized academic and career planning support, as well as access to a variety of workforce development opportunities. For more information, visit denverscholarshipfoundation.org.

EARLY COLLEGE (HANDS-ON PATHWAY)
+ The Early College pathway is designed for students who wish to complete an associate degree or certificate program while still in high school. Students will attend both high school classes and college classes on the same day, with a focus on transitioning into higher education settings. For more information, visit earlycollege.org.

EXPEDITIONARY LEARNING (HANDS-ON PATHWAY)
+ Expeditionary Learning is a unique educational model that focuses on experiential learning and project-based instruction. Students will participate in real-world projects and problem-solving activities, with a focus on applying classroom knowledge to real-world situations. For more information, visit expeditionarylearning.org.
