

# DPS Declining Enrollment Advisory Committee

Meeting 1 / Orientation and Community-building, March 9, 2022

Topic	Notes & Links
Welcome & Introductions	<p>Dr. Marrero welcomed the committee members and reviewed the purpose of this committee.</p> <p>Committee members introduced themselves and their role or connection to this topic.</p>
Project Orientation	<p>Committee members reviewed the committee guidelines and had an opportunity to pose questions about the outcomes and process.</p> <p>Committee members wondered if an outcome could be something other than criteria to close schools. Facilitators noted that the primary goal of this committee is to address declining enrollment by creating the criteria, and any additional ideas could be added as additional considerations to the superintendent.</p>
Values	<p>Committee members worked in small groups to discuss their values and how their values could be honored in this work.</p>
Next Steps	<p>The facilitators closed the meeting by asking if there were any additional questions or comments, and discussed the next meeting.</p> <p>In the next meeting, the committee members will engage in a Data Walk to discuss the data and information surrounding the challenge of declining enrollment in DPS.</p>
