

## **KF: Community Use of School Facilities**

Denver Public Schools shall make its buildings and facilities available to the community for the use of responsible organizations or groups of citizens when school is not in session and when an authorized permit has been obtained from the District.

Such permission and use shall not constitute an endorsement by the school district of any organization or group nor of the program, philosophies, goals or beliefs of any such organizations or groups or the expression of opinion regarding the nomination, retention, election or defeat of any candidate nor the expression of any opinion as to the passage or defeat of any issue.

Users shall adhere to all school district regulations pertaining to the use of school facilities.

The Board of Education reserves the right to refuse approval or to cancel any permits issued for the use of a school building or its facilities when it is deemed that such action is necessary for the best interests of the school district.

### **Adoption of Regulations**

The Superintendent or a designee shall develop such regulations as may be needed for the implementation of this policy so long as such regulations are consistent with Board policies.
