

## **Policy KI- Visitors to Schools**

The Board encourages parents and other citizens of the district to visit classrooms at any time to observe the work of the schools. The Board believes that there is no better way for the public to learn what the schools actually are doing.

In order to insure that no unauthorized persons enter buildings with wrongful intent, all visitors to the schools shall report to the school office when entering, receiving authorization before visiting elsewhere in the building. This will not apply when parents have been invited to a classroom or assembly program.

The district shall notify the public in an appropriate manner that persons violating the criminal law by using, selling or distributing any controlled substance on school grounds, on school buses transporting students or within 1,000 feet of the perimeter of the school grounds shall be subject to enhanced criminal penalties.

Loitering, as defined by C.R.s. 18-9-112, shall be prohibited.
