The text on the page seems to be a summary or report in Amharic, discussing various topics related to educational achievements and records. It includes references to specific dates and events, mentioning the years 2015 and 2017. The text contains lists and numbers, likely indicating statistics or categories of data. Without the actual content, it's challenging to provide a precise translation, but it appears to be an educational or administrative document.
The table shows scores from 400 to 1600, with a score of 400 being the lowest and 1600 being the highest.

Let's discuss the score breakdown:

- **Analyzing Scores**
  - The scores range from 400 to 1600.
  - A score of 400 is the lowest, while 1600 is the highest.
