Welcome and goals

What are we trying to accomplish today?
Recap and updates

First, a quick look back at what was discussed at the last meeting

- Review October meeting
- Public feedback
- DPS and Board updates
Goals for today

What we hope to achieve together

- Decide who are audiences are for our framework
- Determine what information those audiences need
- Set up future Committee discussions on the categories of information needed — and how to measure them
Making decisions

How shall we proceed?

- How will we align on the path forward?
- What is our decision-making process?
Small group breakouts

Who are the audiences? What information do they need?
Audiences

How did you design your dream SPF?
• Who needs to know how a school in Denver performs?
• How would you prioritize your audiences?

Group Discussion
• Discuss in small groups at your tables

Choose someone to report out your discussion
Let’s reconvene

Report out and share from the group discussions
Information

How did you design your dream SPF?

• What information does each of your audiences need to understand how a school is performing (i.e. whole child, equity, etc.)?

Group Discussion

• Discuss in small groups at your tables

Choose someone to report out your discussion
Let’s reconvene

Report out and share from the group discussions
Take a short break

Let’s reconvene in five minutes
Discussion: How did you reimagine SPF?

Time to discuss our ideas for the future
Let’s discuss

• Big themes from the break out groups
  – Where were there broad areas of agreement?
  – Where did we significantly disagree?
• What ideas do we have for making change?
• Coming to consensus around audiences and information
Closing and next steps

Where do we go from here?
Future meetings

- Let’s discuss the options for how to use the remainder of our time together in the coming weeks.

How will we build on our discussion today?
That is all

Thank you for your time
